Ideas to maximise your brand

EXHIBITION SPACE

CIRED 2025 stand space is available to book in increments of 9sqm, either as shell scheme stands (with the option of premium upgrade) or as free space.

LANYARD SPONSOR

Branded lanyards are given to all attendees on arrival at the registration desk. Your logo will be displayed around each conference participant's neck. A visible way to accompany the delegates alongside the conference.

STATIONERY SPONSOR

Recyclable notebooks and pens will be provided to all delegates. There are various options when it comes to materials, including recycled paper or apple peel. Your logo will appear on both the notebook covers and the pens.

LUNCH SPONSOR

All conference delegates have daily lunches included. Sponsoring the lunches is an excellent opportunity to remind delegates of your brand on a daily basis. Your company logo will feature prominently in the lunch area.

WATER REFILL STATIONS

Reinforce your “green” credentials and support the wellbeing of delegates by sponsoring sustainable and reusable water flasks and refill stations. Your logo will be printed on the flasks and filling stations, used by all delegates throughout the conference and beyond.

ACCOMMODATION SPONSOR

This is a great opportunity to sponsor the recommended and most extensively booked hotels at CIRED 2025. Welcome delegates with a personal and memorable introduction to your brand by choosing a giveaway to be placed in guests' hotel rooms.

DELEGATE BAG INSERTS

An easy way of getting your message or special offer to all attendees. We encourage you to supply inserts or small gifts that have been sustainably sourced and produced.

START-UP VILLAGE

Exhibition space exclusive to start-up organisations. These smaller table top stands are sold at a competitive rate and are limited to a maximum of 30 start-ups on a first come, first-served basis.

BEST YOUNG ACADEMIC PAPER AWARD

Up to 6 awards will be given. These best young academics will have the floor during the CIRED technical sessions.

LOUNGE SPONSOR (TWO AVAILABLE)

We have designed two distinctive lounge spaces at the conference to offer a relaxed area for sponsors and delegates to meet and network. We are open to hearing your ideas about the design or offer our own input in creating an unforgettable experience for you and your lounge guests.

BUSINESS CENTRE / WI FI SPONSOR

The self-serve business centre will be located in the exhibition area. We will work with you to customise the space to best benefit your brand. The sponsored area can also include a branded charging point to charge mobiles, laptops or tablets. Wi Fi will be available to all attendees and the sponsor's logo will be included on the opening log-in page.
